ARKANSAS AUDUBON JUNIOR CAMP

Please return application to: AAS HALBERG ECOLOGY CAMP, 2705 N. Fillmore, Little Rock, AR 72207 by April 30. The enclosed teacher recommendation is also due at this time. Students who are home schooled may substitute a recommendation from someone who is familiar with their academic and social performance.

Some local Arkansas Audubon Societies offer partial and/or full scholarships—check with the chapter in your area. Other limited tuition aid is available in case of need. Tuition assistance applicants should fill out the complete tuition assistance form.

Campers accepted for one of the sessions will be notified by letter or email to be sent around May 1. Medical forms, signed rules and the tuition fee of \$275.00 are to be submitted after notification of acceptance and before May 15. If arrangements for payment have not been made by May 15, your name will be dropped. If you cannot attend, please notify me at once so I can contact another student on the waiting list.

If accepted, report to Camp Clearfork at 3 p.m. Sunday for your assigned session, June 14—first session, June 21—second session. Closing ceremonies will be at 10:30 a.m. Friday, June 19 for first session, and 10:30 a.m. Friday, June 26 for the second session. Everyone will leave the camp by noon on each of these Fridays.

Please remember that you will be given the session of your choice as far as possible since campers are assigned upon confirmation of their application. Sessions may not be switched after assignments are completed. If it is possible for you to attend on only one of the dates given, please specify which one. Additional information and a map will be sent with the acceptance letter. Cabin requests are not taken.

APPLICATION FOR JUNIOR TUITION ASSISTANCE
ARKANSAS AUDUBON ECOLOGY CAMP

This form must be filled out completely for tuition assistance consideration. This form is not necessary for those who have been already been awarded individual chapter Audubon scholarships. Return this form along with your camp application to Audubon Camp, 2705 N. Fillmore, Little Rock AR 72207

Please do not request tuition assistance unless you will not be able to attend Audubon Camp without it. It is the Camp Committee's wish that all students who are interested be able to attend Camp, but we receive many requests each year and our funds are limited. Also please remember that while tuition is \$275, the actual cost to attend camp is \$400-plus, which is subsidized by the Audubon Society. If you are awarded tuition assistance and find you will not be able to attend camp, please notify me immediately so that the money can be used by another student. Thank you.
