

Arkansas Audubon Society, a non-profit organization

Adult Learning Workshops Registration Form

Ferncliff Camp, Little Rock, Arkansas October 2 & 3, 2010

Please check the workshop you plan to attend and complete your contact information on the form below.

- ARKANSAS BUTTERFLIES** Instructors: Cheryl & Norman Lavers
FULL WORKSHOP – WAITING LIST ONLY

In the field and classroom, we'll learn not only identification skills but life histories of our native butterflies, including defense systems, mimicry, & cryptic coloration; and we'll see how to attract them to our gardens.

- BIRDING BASICS** Instructor: Dan Scheiman

Through fieldwork and classroom study, we will get a feel for the tools and skills needed to identify and more fully understand Arkansas birds.

- EDIBLE TREES & PLANTS** Instructor: Tamara Walkingstick

We will recapture fast-disappearing knowledge about the uses of wild plants for food and beverages; we will identify native species and learn to prepare some tasty dishes from them.

- NATIVE TREE IDENTIFICATION** Instructor: Eric Sundell

With the help of a user-friendly key, we will identify more than 50 species of native trees and shrubs from the rich woods of the Ferncliff Conference Center.

WORKSHOP HOURS

Each two-day workshop begins on Saturday, October 2 at 10 a.m. with orientation in the Brown Center meeting room at Ferncliff Camp and Conference Center (www.ferncliff.org). The workshops end on Sunday, October 3 no later than 4 p.m.

WORKSHOP COST

There are two options for attending the workshop: stay over Saturday night or commute. Please check one.

- Option 1: \$ 170**

Overnighters will share climate controlled rooms, each with two double beds and private bath. Rooms are smoke-free, TV-free, and telephone-free. Linens are included. Let us know if you have a roommate in mind.

- Option 2: \$ 130**

Commuters head home Saturday night after the evening program and rejoin their groups at breakfast Sunday morning.
