THE FOLLOWING IS TO BE COMPLETED BY YOUR PARENT OR GUARDIAN.

If your child has medical or disability issues that might impact his/her stay at camp or that might have an affect on class instruction or on other students, please attach a brief description of this condition. Upon camp acceptance you will be required to fill out a more detailed health form. Nondisclosure of disrupting conditions may result in a child being sent home.

I agree that my child's teacher (or other reference in the case of home schoolers) has my permission to submit a recommendation of my child to the Ecology Camp Executive Director without my reading the evaluation.

This camp involves outdoor educational and recreational activities such as field studies, hiking on uneven paths, team sports, swimming and canoeing. Fans are present in cabins, but there is no air conditioning.

PLEASE RETURN THE ABOVE SECTION ALONG WITH IMMUNIZATION FORMS to AAS Ecology Camp, 2856 Boxcar St. Apt. 206, Springdale, Arkansas, 72764 or ttumlison@gmail.com. In the interest of conservation, I prefer to do correspondence by email. If you do not have email, I will reply to the recommending teacher's email.

Email _____

Please check if you haven't heard back in several days. If the reply goes to a teacher, please contact them. Junior session is for first time attendees; Senior and Advanced camps are by invitation only. I take applications until we fill the 50 junior camper openings for each session; to get your session choice or if you apply for financial aid, you should apply early.

**PARENTS: PLEASE READ AND KEEP THIS PAGE AND THE FOLLOWING MAP FOR REFERENCE
ARKANSAS AUDUBON JUNIOR CAMP**

Junior session is for first-time attendees only and they must have completed 5th or 6th grade at the time of camp; Senior and Advanced sessions are by invitation only.

Please return application to: AAS Ecology Camp, 2856 Boxcar St. Apt. 206, Springdale, AR, 72764, or ttumlison@gmail.com along with a copy of immunization records or physician proof of a **medical** exemption to immunizations, and the teacher recommendation form (teachers may prefer to mail/email separately). Students who are home schooled may substitute a recommendation from someone who is familiar with their academic and social performance.

Some local Arkansas Audubon Societies offer partial and/or full scholarships—check with the chapter in your area. Other limited tuition aid is available in case of need. Tuition assistance applicants should fill out the complete tuition assistance form along with a hand-written student essay. While tuition is \$325, that is less than it costs per camper; the Audubon Society subsidizes the rest.

Campers accepted for one of the sessions will be notified by email (parent or teacher if the parent does not list an email). If you do not hear from me within a week, please contact me; I usually reply the day I receive a completed application packet by emailing an acceptance packet. Medical forms, signed rules, and the tuition fee of \$325.00 are to be submitted after notification of acceptance. There will be no refunds after May 15. If you cannot attend, please notify me at once so I can contact another student on the waiting list.

If accepted, report to Camp Clearfork at 3 p.m. Sunday for your assigned session, June 10—first session, June 17—second session. Closing ceremonies will be at 10:30 a.m. Friday, June 15 for first session, and 10:30 a.m. Friday, June 22 for the second session. Everyone will leave the camp by noon on each of these Fridays. Parents are responsible for student transportation to and from camp—**we do not arrange car pools nor do we give out student information.**

Please remember that you will be given the session of your choice as far as possible since campers are assigned upon confirmation of their application. Sessions may not be switched after assignments are completed. If it is possible for you to attend on only one of the dates given, please specify which one. Additional information and a map (map is also at arbirds.org) will be sent with the acceptance letter. **Cabin requests are not taken.**

Once again, this is an outdoor, hands-on environmental camp that involves team activities, hiking on uneven ground, swimming and canoeing. Cabins have cots and fans, but no air conditioning. Cell phones do not work in this area and the camp phone (501-991-3831) is for emergency use only. Since parents are invited to visit camp on Sunday and Friday, they should not request visits during the week. This disrupts learning and takes time that staff should be devoting to students. Staff have undergone background checks. If there is a need to deliver a forgotten item to a child, a staff member will be glad to meet you at the gate. If your child is having a problem, one of the Camp Directors or the nurse will notify you.

Please note: Campers are required to provide a copy of immunization records or physician proof of a medical exemption from immunizations to be accepted to camp. We do not accept philosophical exemptions. Please send immunization record copy along with this application. Without this, your child will not be allowed to apply to camp.

APPLICATION FOR JUNIOR TUITION ASSISTANCE
ARKANSAS AUDUBON ECOLOGY CAMP

This form must be filled out **COMPLETELY** for tuition assistance consideration. This form is not necessary for those who have already been awarded individual Audubon chapter scholarships. Return this form along with your camp application to AAS Ecology Camp, 2856 Boxcar St. Apt. 206, Springdale, Arkansas, 72764, or ttumlison@gmail.com.

Please do not request tuition assistance unless you will not be able to attend Audubon Camp without it. The Camp Committee receives many requests each year and our funds are limited. While tuition is \$325 the actual cost to attend camp is \$450-plus, which is subsidized by the Audubon Society. If you are awarded tuition assistance and find you will not be able to attend camp, please notify me immediately so that the money can be used by another student.
